Appointment of Standard Tender / Bidding Document Review Committee

As you are aware, since the year 2001 we have had a Standard Tender / Bidding Document Review Committee functioning under the guidance of P & D Department. However, now there is a need to re-constitute this Standing Committee with the ongoing organizational changes and to cope-up new challenges faced in project management environment specially in respect of Turnkey and Design & Build Contracts.

Therefore you are hereby appointed as Chairman / Member / Secretary to serve in the newly constituted Standard Tender / Bidding Document Review Committee (STBDRC). Major functions of the committee is to act as the Standing Committee to review and approve standard tender / bidding documents for various purposes, review them timely to suit the situations, appoint sub-committees for preparation of new standard tender / bidding documents, review of Design Manuals and other related activities which are currently required. You are also requested to focus on formulating / drafting Contract Agreements which are linked to tender / bidding documents.

Your active participation is highly appreciated.
