HO/SS/L/General/2024

15th July 2024

Deputy General Manager (WC/WS/WN/Western Production/Central/NW/UVA/Sab/NC/
Southern/East/North/M&E)

Assistant General Manager (GW/WR)

All Regional Managers

PROCUREMENT ACTIVITIES THROUGH ELECTRONIC GOVERNMENT PROCUREMENT (E.GP) SYSTEM

With reference to the purchase process through the above E-Gp system Version 2.

Accordingly, currently E-Gp system has converted in to **version 2**. Hence other regions also must take actions to convert current E-Gp system in to new **version 2**. In this regard, all the training workshops have been conducted for the officials nominated and it has been observed that the procurement activities are not being carried out through the E-Gp system, after introducing Version2.

However, if there is any clarification or any assistance needed can be arrange a training session. Hence please be informed in advance Deputy General Manager (Sup & MM) to coordinate a training programmer early.

Also, please start the procurement activities through e-Gp plat form as soon as possible, and submit a report to supplies.mmd@gmail.com in 1st week of every month.

Please note that Head Office Supplies & Materials Management Section has launched the version 2 successfully & continue the e-procurement process through e-GP plat form as usual.

Eng. T.Barathithasan

General Manager
