INSTRUCTIONS TO BIDDERS

A. General

- 1. Scope of Bid**
 - 1.1 Cabinet Appointed Procurement Committee on behalf of the National Water Supply & Drainage Board, Sri Lanka (hereinafter referred to as “the Employer”), wishes to receive Bids (hereafter, in the Condition of Contract called the “Tender” for the Bid”) for design-build and completion commissioning and Operation and Maintenance for 91 days period of the Water Supply Project as defined in these Bidding documents (hereinafter referred to as “the Works”).
 - 1.2 The successful Bidder will be expected to complete the Works within the day from the commencement date of the contract as specified in Bidding Data.
- 2. Source of Funds**
 - 2.1 Source of funds shall be as specified in the Bidding Data.
- 3. Eligible Bidders**
 - 3.1 This Invitation to Bid is open only to Bidders who fulfil the qualification criteria given in **Clause 5.0**. In the cast of Joint Venture (JV), all members shall be jointly and severally liable for the execution of the contract in accordance with the Contract terms. The JV shall nominate a Representative who shall have the authority to conduct all business for and on behalf of any and all the members of the JV during the Bidding process and, in the event the JV is awarded the contract, during contract execution.
 - 3.2 Bidders shall provide such evidence of their continued eligibility satisfactory to the Employer as the Employer shall reasonably request.
 - 3.3 A Bidder shall not have a conflict of interest. Any Bidder found to have a conflict of interest shall be disqualified. A Bidder may be considered to have a conflict of interest for the purpose of this Bidding process, if the Bidder:
 - a) directly or indirectly controls, is controlled by or is under common control with another Bidder; or
 - b) receives or has received any direct or indirect subsidy from another Bidder; or
 - c) has the same legal representative as another Bidder; or
 - d) has a relationship with another Bidder, directly or through common third parties, that puts it in a position to influence the Bid of another Bidder, or influence the decisions of the Employer regarding this Bidding process; or
 - e) participates in more than one Bid in this Bidding process. Participation by a Bidder in more than one Bid will result in the disqualification of all Bids in which such Bidder is involved. However, this does not limit the inclusion of the same subcontractor in more than one Bid; or

- f) any of its affiliates participated as a consultant in the preparation of the design or technical specifications of the works that are the subject of the Bid; or
- g) any of its affiliates has been hired (or is proposed to be hired) by the Employer or Borrower as Engineer for the Contract implementation; or
- h) would be providing goods, works, or non-consulting services resulting from or directly related to consulting services for the preparation or implementation of the project specified in the BDS ITB 2.1 that it provided or were provided by any affiliate that directly or indirectly controls, is controlled by, or is under common control with that firm; or
- i) has a close business or family relationship with a professional staff of the Borrower (or of the project implementing agency, or of a recipient of a part of the loan) who: (i) are directly or indirectly involved in the preparation of the Bidding documents or specifications of the contract, and/or the Bid evaluation process of such contract; or (ii) would be involved in the implementation or supervision of such contract unless the conflict stemming from such relationship has been resolved in a manner acceptable to the Bank throughout the procurement process and execution of the contract.

3.4 A Bidder may have the nationality of any country, subject to the restrictions imposed on the Bidder by the employer or employer's country or the funding agency (Donor). A Bidder shall be deemed to have the nationality of a country if the Bidder is constituted, incorporated or registered in and operates in conformity with the provisions of the laws of that country, as evidenced by its articles of incorporation (or equivalent documents of constitution or association) and its registration documents, as the case may be. This criterion also shall apply to the determination of the nationality of proposed sub-contractors or sub-consultants for any part of the Contract including related services.

4. Eligible Materials, Equipment and Services

4.1 The materials, equipment and services to be supplied under the Contract shall have their source origin in (eligible source countries) including Sri Lanka and eligible countries defined in the Donor guidelines for procurement and all expenditures made under the Contract will be limited to such materials, equipment, and services. At the Employer's request, Bidders may be required to provide evidence of the origin of materials, equipment and services.

All goods and services shall have their origins from eligible source countries. The eligible source country with respect to the foreign currency portion will be as per the Donor guidelines and the eligible source country with respect to the local currency portion

will be as per the Donor guidelines and the Democratic Socialist Republic of Sri Lanka. The foreign currency portion should not exceed the amount specified in the Bidding Data.

Notwithstanding the above mentioned eligible source countries provisions, the materials, equipment and services, which are impossible or uneconomical to purchase from the eligible source countries, may be procured from countries other than the eligible source countries (the “third countries”) with the prior consent of the Employer and the Funding Agency (Donor), up to the amount specified in the Bidding Data.

- 4.2 For purposes of **Sub-Clause 4.1** above, “services” means the works and all project-related services including investigations and design services.
- 4.3 For purposes of **Sub-Clause 4.1** above, “origin” means the place where the materials and equipment are mined, grown, produced or manufactured, and from which the services are provided. Materials and equipment are produced when, through manufacturing, processing or substantial or major assembling of components, a commercially recognized product results that is substantially different in basic characteristics or in purpose or utility from its components;

- 5.1 To be qualified for award of Contract, Bidders shall:
 - (a) submit a written power of attorney authorizing the signatory of the Bid to commit the Bidder;
 - (b) Company Registration and
 - (c) have adequate financial capacity and the technical capacity as given in Clause 5.4 hereof to undertake the contract. This will include an assessment of Bidder’s proposals regarding design criteria and philosophy, outline design, work methods and schedule, in sufficient detail to demonstrate the adequacy of the Bidders’ proposals to meet the Employer’s Requirements and the time for completion.
 - (d) If Bidder is a Joint Venture of two or more firms, they shall also comply with the requirements mentioned in clause 5.2 hereof.
 - (e) Bidder should fulfil the requirements given in clause 5.3 hereof.
- 5.2 Bids submitted by a Joint Venture of two or more firms as partners shall comply with the following requirements:
 - (a) the Bid, and in case of a successful Bid, the Form of Contract Agreement, shall be signed so as to be legally binding on all partners;
 - (b) Representatives of each company in the Joint Venture should give power of attorney for their nominated partner for the Joint Venture.

- (c) one of the partners shall be authorized to be in charge as the lead partner; and this authorization shall be evidenced by submitting a power of attorney signed by legally authorized signatories of all the JV partners;
- (d) the partner in charge shall be authorized to receive payments and receive instructions for and on behalf of all partners of the Joint Venture and the entire execution of the Contract;
- (e) all partners of the Joint Venture shall be jointly and severally liable for the execution of the Contract in accordance with the Contract terms, and a relevant statement to this effect shall be included in the authorization mentioned under (c) above as well as in the Bid Form and the Form of Contract Agreement (in case of a successful Bid); and
- (f) letter of intend to form a Joint Venture before signing the Joint Venture agreement (the agreement entered into by the Joint Venture partners) shall be submitted with the Bid. This should be signed by all Joint Venture partners and attested by Attorney.

5.3 Bidders shall also submit proposals of design criteria and philosophy, outline design, work methods and all relevant schedules, in sufficient detail to demonstrate the adequacy of the Bidders' proposals to meet the Employer's Requirements (given in Volume II in this document) and the completion time referred to in **Sub-Clause 1.2** above.

The Bidders are required to undertake appropriate investigations/tests and/or surveys adequate enough to draw up a realistic design in line with the specifications and requirements of the Employer.

Preference will be given in the Bid evaluation to the most realistic designs which is capable of being implemented with least future modifications and/or least possible delay and with least overall cost including Operation and Maintenance.
