Deputy General Manager(WC/WN/WS/NW/NC/N/C/S/Sab/Uva/East),

Unit Rates for Pipe Laying

The unit rates for laying of uPVC, DI and HDPE pipes are recommended by the Technical Evaluation Committee for the Procurement Committee (PC) approval.

A sample of document prepared for the purpose of signing the subsequent Contract Agreement and Unit Rates are uploaded to the Water Board web site as follows:

Unit Rates

NWSDB web / Sample "Bills of Quantities" Tab under restricted links/ Item No. 4, NWSDB Rates for Rate Contracts/ 4.2 for Laying Contracts

Sample of Awarding Document

NWSDB web / "Standard Bidding Document" Tab under restricted links/ Works Contract/ Item No. 13, Awarding Document

Until PC approval is obtained for the unit rates, please prepare the BOQs and retain with you. Once the PC approval is obtained you will be informed to submit the document for further process.
